BEN FRY-HOLMAN

Bellingham, WA 98117 | (206) 673-7735 | benfryholman@gmail.com | LinkedIn | Portfolio

PROFILE

Approachable Computer Science student with experience in various programming languages, frameworks, and technologies, complemented by hands-on experience in customer service and operations. Eager to leverage technical skills and a proactive approach to contribute to impactful projects and organizational success.

PROFESSIONAL EXPERIENCE

Peer Advisor - Student Business Office

Western Washington University, Bellingham, WA   November 2022 – Present

- Helped a large volume of customers every day with a positive attitude and a focus on customer satisfaction.
- Advised students individually on personal accounts and worked with them as needed to better understand their accounts.
- Pointed students to relevant information about financial and other personal support services available on campus.

Fielder - Ballpark Operations

Seattle Mariners Baseball Club, Seattle, WA   May 2021 – October 2023

- Trained new co-workers and established proper methods, and equipment operation among fielders.
- Worked to facilitate good customer experience during the 2021 and 2022 Baseball seasons, and contributed to non-baseball events such as preparing for concerts at T-mobile park.
